Abstract: This information collection provides disaster survivors the opportunity to request approval of late applications, continued temporary housing assistance, request advance disaster assistance, stop payments not received in order to be reissued funds, and to appeal program decisions. This collection also allows for the establishment of an annual agreement between FEMA and states, territories, and tribal governments regarding how the Other Needs Assistance provision of IHP will be administered: by FEMA, by the state, territory, or tribal government, or jointly. This collection allows survivors to provide additional information after the initial disaster assistance registration period in support of their applications for assistance from FEMA's IHP. If the

information in this collection is not collected, a delay in assistance provided to disaster survivors would occur.
